ARIZONA BOARD OF MANUFACTURED HOUSING

ABBREVIATED MINUTES

MARCH 17, 2010 BOARD MEETING

CALL TO ORDER

Chairman Wait called the meeting to order.

After the roll call, Mr. Barger introduced Gene Palma as the new director of the Department of Fire, Building and Life Safety. Mr. Palma was previously the Director of the Department of Weights and Measures.

APPROVAL OF SEPTEMBER 2009 BOARD MINUTES

Motion made by Chairman Wait to approve the September 2009 Court Reporter transcript and draft abbreviated minutes. Motion was seconded by Board member DeSanctis and approved by Board.

FINANCIAL

Deputy Director Blake presented the December 2009 financial reports. Director Blake explained the deposit of \$321,000 to the Recovery Fund. This represents the interest earned in the Cash Bond Fund over the years. Question raised by Board member Wendt concerning this fund and its' past deposits. He suggested that some of the entities which had deposits in the fund bond were no longer in business. Ms. Soliere explained that the funds are used to pay claims as they are approved through the hearing process.

Mr. Haney questioned the availability of funds for education since there is a balance in the Recovery Fund. Mr. Barger explained that the balance is accounted for by the number of lump sum payouts that are pending. At the request of Chairman Wait, Deputy Director Blake agreed to revise and simplify the reports.

Mr. Barger explained the details of the latest budget cuts:

- Discontinued all Fire Training
- Closed Tucson Office
- Employee RIF
 - o Fire Resources Coordinator
 - 2 Training Officers
 - 2 Customer Service Representatives

Mr. Barger informed the Board that the existence of DFBLS, as we know it, depends on the voters approving the sales tax. Even if it is approved in May, DFBLS will need to do additional cuts because the appropriated beget is lower than this year.

Both Mr. Palma and Mr. Barger said that everything was up in the air until May 19.

Deputy Director Blake informed the Board in response o staff reductions, 2 OMH inspectors were being cross trained. She also explained that OMH is actively seeking jurisdictions with whom IGA's can be executed. This will ensure that installation inspections continue.

LEGISLATIVE UPDATE

- I. Ms Soliere explained that HB2058 was originally entitled Mobile Home Parks Maintenance and Repair. It was changed to Residential Landlord Maintenane and Repair. It now deals with apartment complexes and "mobile homes" were struck from the bill
- II. HB2473, Manufactured Housing Escrow Accounts has passed through the House of Representatives. It is in the Senate waiting to be voted on. In the interim, DFBLS has established a task force of stakeholders to address the writing of escrow instructions. Ms Soliere, in response to a question from Chairman Wait, that the Recovery Fund would still cover homes under \$50,000.
- III. HB2446 is Alarm Business and Agents. This would require the department to license all alarm businesses and their agents
- IV. Ms. Soliere discussed HB2001 and SB1001, the budget bills. She advised that they were basically the same in that DFBLS' existence depended on the passing of the sales tax,

FEE STRUCTURE

Deputy Director Blake presented and explained the proposed increased fees. After much discussion concerning the use of fees, the Board decided to hold a special session in May to fully discuss and finalize a new fee schedule.

RECOVERY FUND

Chairman Wait asked that the Board designate Ken Anderson as an interested party in all Recovery Fund cases that come to hearing with the Office of Administrative Hearings. Ms .McGilvery questioned the need for someone other than the Board to perform this function. Chairman Wait informed her that Mr. Anderson's appointment makes perfect sense—in that he could represent the Industry. Mr. Palma explained to the Board that an" interested party" cannot sit in to represent one party or another. In fact, it is to the discretion of the Administrative Law Judge whether or not an "interested party" is allowed in the room/

BONDING REQUIREMENTS

This subject was carried over to the next meeting.

CALL TO THE PUBLIC

Ken Anderson spoke about the request that he be designated "interested party" in Recover Fund hearings. He explained that he would also report to the Director of DFBLS for items that he believes should be appealed. Deputy Director Blake reiterated that there is no "interested party" in such hearings. She also explained that only the parties of the hearing can file an appeal.

Kara Holt introduced herself as a representative of resale dealers, She emphasized that everyone needs to make the process work in order for the industry to continue to survive. She asked questions about and discussed the financial reports that were handed out at the meeting.

<u>ANNOUNCEMENTS</u>

Chairman Wait announced that the next meeting would be on May 12, 2010.

ADJOURNMENT

The meeting was adjourned at 2:53 p.m.

Educational Grants follow-up from March 2010 Board Meeting

Mr. Chairman and Board Members,

As follow up to the March 17, 2010 OMH Board meeting, below is the revised reporting method we are considering for future presentations.

- The chart to the far right, below, is the actual whole dollar amount of prior year interest earned from the Recovery Fund.
- The chart to the left, below, includes the following columns and calculations:
- **Education Fund Balance Forward from prior FY**
- 0 75% of Prior Year's Interest = 75% of the whole dollar amount of prior year interest (chart to far right)
- Note: This information was not tracked prior to FY08 and is not available
- 0 Fund Balance Available for Edu Grants = is the sum of adding the Education Fund Balance Forward from prior FY plus 75% of Prior Year's Interest
- 0 **Checks Issued for Grants**
- Remaining Balance of Fund = is the product of the Fund Balance Available for Edu Grants minus the amount of Checks Issued for Grants

For example, FY 08 is broken down below as it is depicted on the chart:

Remaining Balance of Fund for FY 08	Checks Issued for Grants	Fund Balance Avail for Edu Grants	75% Prior Year's Interest	Fund Balance Forward from prior FY
11	1	H	+	11
\$ 1,309.25	\$ 13,000.00	\$ 14,309.25	\$ 11,759.25	\$ 2,550.00

This format has been updated on the December Monthly Summary Report and will be provided as a handout for discussion at the May 2010 Board Meeting
